It gives us immense pleasure to let you know that Wayanad has topped the ranking list (in terms of the 'Paradox - May'24 edition' fest) among all the 12 houses, with 125.5 points!! 🎉

If you're someone who's achieved either 1st, 2nd or 3rd rank in any of the Paradox'24 events, kindly fill the GForm (link mentioned below).

As you know, this is solely an initiative from our house to acknowledge the efforts by our house mates and encourage more participants to take part in the upcoming student fests and, despite various constraints, we try to keep our promise.

Deadline: 19th June, 2024 (Wednesday) 23.59 IST

Note: We WON'T be accepting any form submissions after the deadline. Even if you're an achiever from our house who'd signed up for the house initiative but failed to submit the above survey form before 19th June 2024, unfortunately, we won't be able to consider you for this. No mails/ texts over Wap, etc. will be accepted/considered.
